COLONIAL CREEK CAMPGROUND

Thursday, August 20, 2015

The Wilderness World of Wolverines

A hearty mountain carnivore – the wolverine – roams the depths of the North Cascades. Join an interpretive ranger to learn about this elusive predator and how it makes its final stronghold in a world of rapidly shrinking wilderness.

Friday, August 21, 2015

It's Easy Being Green

From the depths of Diablo Lake, to the tops of the tallest Douglas fir trees, one color dominates the North Cascades: GREEN. Join an interpretive ranger to discover the hidden life that thrives within this verdant realm.

Saturday, August 22, 2015

The Power of Perspective

Grizzly bears and humans have called the North Cascades Ecosystem home for thousands of years. Join an interpretive ranger to learn how human perspectives affect the grizzly bear's ability to survive here.

NEWHALEM CREEK CAMPGROUND

Friday, August 21, 2015

Mountain Music

The North Cascades is a storied landscape. Join an interpretive ranger and guest performers to sing and learn about this special place through song.

Saturday, August 22, 2015

Predators and Prey: Finding a Balance in the North Cascades

Every animal plays an integral role in the web of life. Join an interpretive ranger to learn about important predator-prey relationships within the North Cascades.
